We spoil your car with the ultimate in car care. Full service wash with the exterior surface is sealed and glazed with an Advanced Polish Compound and 100% Carnauba Wax. This removes all tar, light scratches, oxidation and tree sap, restoring the luster. The interior and trunk are then vacuumed and cleaned. Upholstery, carpets and mats are shampooed and dressed along with the dashboard and side panels. For the finishing touch, we clean and restore rims and tires!

Additional charges may apply. Cannot be combined with any other offers. Offer valid through 5/31/15
